

## **NEWS RELEASE**

**For Release 9:00 a.m. EST**

**As part of its commitment to quarterly enhancement of its industry leading Paperless Governance and Legislative Meeting Management Solution for Microsoft SharePoint, eSCRIBE today announced the General Availability of version 3.3.0.**

**Markham, ON (July 15, 2011)** eSCRIBE today announced the general availability of its latest feature packed version of its eSCRIBE 2010 - Paperless Governance and Legislative Meeting Management software solution designed specifically for Canadian public and private sector boards, committees and councils.

"We are excited to release this latest version of eSCRIBE 2010 loaded with additional features and enhancements many requested directly by our growing customer base", said Robert Treumann President and CEO, eSCRIBE. "In addition to providing enhanced user administration and personalization features version 3.3.0 includes a number of key legislative management and meeting participant features which greatly enrich the live meeting experience for all."

Customers can obtain a complete set of software release notes for version 3.3.0 by emailing [support@escribecorporate.com](mailto:support@escribecorporate.com).

Additionally, the firm announced that it had completed the installation of a number of additional public sector clients during the second quarter of 2011, including its first K-12 public school board and Ontario based hospital. "We are pleased with this further confirmation of eSCRIBE's ability to address meeting pain points across a number of public sectors" added Paul Mackin, EVP of Sales and Marketing, eSCRIBE. "With the majority of boards and committees still operating without the aid of repeatable process automation the growing need to demonstrate transparency and accountability is straining the existing manual processes."

eSCRIBE will be of particular interest to board members and elected officials, municipal clerks, legal council and board administrators that are responsible for the overall governance and management of meeting agendas, voting, minute publishing and distribution.

### **About eSCRIBE**

eSCRIBE is Microsoft Gold certified, Canadian independent software vendor (ISV) of Paperless Governance and Meeting Management Solutions built exclusively for Microsoft SharePoint and the Office client suite. With eSCRIBE's robust user configurable meeting management engine and award winning SharePoint integration, it is quickly becoming the go-to choice of public and private sector boards, committees and councils looking to improve efficiency, transparency and accessibility while at the same time demonstrating environmental responsibility by reducing the consumables used to manage local government.

As part of its solutions focus, eSCRIBE's internal team of professional project managers, business consultants, software engineers, quality assurance testers, and documentation
